Additional notes for Resolution 7

Advisory vote

Section 250R(2) of the Corporations Act 2001 (Cth) requires the Shareholders to vote on an advisory resolution that the Remuneration Report be adopted.

For personal use only

The Remuneration Report details the remuneration policies for the Company and reports the remuneration arrangements for Directors and Key Management Personnel (identified for the purposes of the Accounting Standards). The Remuneration Report is set out on pages **15 to 21** of the 2016 Annual Report to Shareholders.

The vote on Resolution 7 is advisory only, and does not bind the Directors or the Company. The Board will however consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the meeting when reviewing the Company's remuneration policies. Under the Corporations Act 2001, if 25% or more of votes that are cast at the meeting are voted against the adoption of the Remuneration Report at two consecutive AGM's, Shareholders will be required to vote at the second of those AGMs on a resolution (**Spill Resolution**) that another meeting be held within 90 days at which all of the Company's Directors (other than any Managing Director) must go up for re-election.

Shareholders will recall that not more than 25% of the votes cast were cast against the 'remuneration resolution' at the 2015 AGM and therefore, there will be no requirement at this AGM for a Spill Resolution.

The Chair will give Shareholders a reasonable opportunity to ask questions about or make comments on the Report.

Voting restrictions- Resolutions 6A to 6D and 7.

Key Management Personnel (**KMP**) and their closely related parties are not permitted to vote on this Resolution. KMPs of the Company are the Directors of the Company and those other persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly. The Remuneration Report identifies the Company's KMPs for the financial year ending 30 June 2016. 'Closely related parties' are defined in the Corporations Act 2001, and include certain of their family members, dependents and companies they control.

However, a KMP may cast a proxy where the proxy specifies in writing how the KMP is to vote (except proxies cast on behalf of another KMP).

The Chair is permitted to vote undirected proxies where the Shareholder expressly authorises the chair to exercise the proxy. Accordingly, if you have appointed the Chair (either directly or by default) as your proxy and you have not directed him how to vote, you are authorising the Chair to exercise the proxy in respect of Resolutions 6A to 6D and 7, notwithstanding that the Chair or KMP may benefit.

The Chair intends to vote in favour of all resolutions.

A list of qualifying questions will be addressed at the Annual General Meeting.

Please note that all questions must be received at least five business days before the Annual General Meeting, which is by no later than 11:59 PM, 17 November 2016.

Shareholders should note that the Financial Statements and Reports will be received in the form presented. It is not the purpose and there is no requirement either in the *Corporations Act* or in the Constitution of the Company for Shareholders to approve the financial report, the Directors' Report or the Auditor's Report of the meeting or that the Financial Statements and Reports be accepted, rejected or modified in any way.

The Directors, recommend that Shareholders vote in favour of Resolution 1.

2. Resolution 2 – Re-election of Kang Tan as a Director

Kang Tan retires by rotation and being eligible, offers himself for re-election.

Mr Tan has been a member of the Institute of Chartered Accountants in England and Wales since 1983 and a fellow of the Institute of Public Accountants in Australia since 1998. Mr Tan spent ten years as an Accountant with La Trobe University Union. Before coming to Australia, in Malaysia Mr Tan was the Group Financial Controller of Tanming Corporation Berhad for four years. Mr Tan established his first small cash loan branch in Glenroy, Victoria in August 2000. Mr Tan held an ownership interest in four of the Money3 trading companies prior to being acquired by Money3. Mr Tan has been a director of Money3 Corporation Limited since 25 November 2005. The Board considers Mr Tan to be an independent director.

The Directors, other than Mr Tan who abstains, recommend that Shareholders vote in favour of Resolution 2.

3. Resolution 3 – Election of Raymond Malone as a Director

Raymond Malone was appointed as a Non-Executive Director on the 29 January 2016.

Mr Malone is currently CEO and Executive Chairman of AMA Group Limited (**AMA**) and having delivered outstanding shareholder value at AMA over the last 7 years, brings this significant strategic experience and track record to Money3. Mr Malone is Chairman of Money3 and is considered to be independent.

The Directors, other than Mr Raymond Malone who abstains, recommend that Shareholders vote in favour of Resolution 3.

4. Resolution 4 – Election of Leath Nicholson as a Director

Leath Nicholson was appointed as a Non-Executive Director on the 29 January 2016.

Mr Nicholson brings broad commercial and legal experience to Money3, specifically in the area of mergers and acquisitions and corporate governance. He has practised extensively in the consumer credit regulatory sector and has provided legal advice to Money3 in relation to both its corporate and consumer credit obligations since 2010. Mr Nicholson was a Corporate Partner at a leading national law firm, gaining experience with a breadth of ASX listed entities, before co-founding Foster Nicholson Jones in 2008. Mr Nicholson is not classified as an “independent” director having being a provider of material professional services to Money3 through Foster Nicholson Jones, however the board does not consider this affects his capacity to bring independent judgement to bear on issues before the board and to act in the best interests of the entity. Mr Nicholson is also a Non-Executive Director of AMA Group Limited.

The Directors, other than Mr Leath Nicholson who abstains, recommend that Shareholders vote in favour of Resolution 4.

5. Resolution 5 – Election of Stuart Robertson as a Director

Stuart Robertson was appointed as a Non-Executive Director on the 29 January 2016.

Mr Robertson’s background includes broad experience in business advisory, investment banking, alternative investments and funds management, in addition to extensive experience in the consumer finance sector. The Directors, other than Mr Stuart Robertson who abstains, recommend that Shareholders vote in favour of Resolution 5.

6. Resolutions 6A, 6B, 6C and 6D - Grant of options to Directors

6.1 Background

On 6 October 2016, the Board approved the issue of 2,600,000 unlisted options to certain Non-Executive Directors in consideration of those Non-Executive Directors making special exertion contributions to the Company, outside the usual role and responsibilities of a Non-Executive Director.

Those special contributions included:

- Aligning staff with company strategy, including bringing an end to division between the former Managing Director and the Board;
- Focusing company strategy on sustainable profitability;
- Negotiating a new debt facility of \$20m with best endeavours to \$30m; and
- Assisting the strong development of investor relations;

In addition:

- In the case of Mr Malone, for the year ending 30 June 2016, he agreed not to receive director's fees;
- In the case of Mr Nicholson he provides legal insight and strategy that does not form part of the formal services provided by Foster Nicholson Jones Lawyers and the issue of options is therefore a cost effective means of rewarding his efforts without additional cash outlay;
- In the case of Mr Robertson, his strong connections with debt markets is of considerable value to the Company over and above his day-to-day activities as director;
- With continuing efforts to secure substantial debt facilities to fund the growth of the business into the future the roles of Messrs Malone, Nicholson and Robertson will be integral to the Company's success;
- the Board also notes that in the weeks leading up to the appointment of the non-executive directors (Messrs Malone, Nicholson and Robertson), the share price hit a low of \$0.84 and the options are granted, in part, as a reward for past performance which has aided a substantial increase in the share price.

On 6 October 2016, the Board approved the issue of 2,500,000 unlisted options to Mr Scott Baldwin as a long term incentive (LTI). Mr Baldwin's employment contract provides for an LTI to be granted by the Company to incentivise Mr Baldwin to achieve long term performance for the Company, as determined by the Board. As at 1 July 2016 (which is the commencement of the relevant period to which the LTI is to apply as per his employment contract) the share price was \$1.135.

As the Options will not be issued under the Company's Employee Equity Plan, Shareholder approval is required under ASX Listing Rule 14.11.

No disclosure document is required to be issued to the option recipients as the offer is exempt under section 708(12) of the *Corporations Act*.

6.2 Purpose of resolution and listing rule 10.11

Under ASX Listing Rule 10.11, an entity cannot agree to issue securities to a 'related party' without the approval of the holders of ordinary securities. A 'related party' includes a non-executive director.

6.3 Notice requirements under listing rule 10.11

- (a) **The name of the person**
Raymond Malone, Leath Nicholson, Stuart Robertson and Scott Baldwin, in the proportion reflected in each of the 6A to 6D Resolutions
- (b) **the maximum number of Options to be issued:**
5,100,000 (in aggregate).
- (c) **the date by which the entity will issue the Options (which cannot be more than 1 month after the date of this meeting):**
28 November 2016
- (d) **relationship of related parties**
All proposed option holders are Directors of the Company.
- (e) **the terms of the Options (including issue price):**

Consideration price	Nil
Status of Options	Unquoted
Issue price	Issued for nil consideration
Option Exercise Price	\$1.50, each Option convertible into one fully paid ordinary share in the Company
Grant Date	28 November 2016
Vesting Date	3 years from issue date
Expiry date	5 years from issue date
Status of Share upon exercise	Shares will be quoted and shall rank equally with all other issued fully paid ordinary Shares

- (f) **The intended use of the funds**
No money will be raised on the issue of the options as they have been granted to the Non-Executive Directors for special exertion contributions and to Mr Baldwin as part of his Long Term Incentive pursuant to the terms of his employment.

Where approval is obtained for the purpose of ASX Listing Rule 10.11, approval is not also required under ASX Listing Rule 7.1.
